Our Village Wet Space...

as you can see, the Swamp really is a swamp and extends back quite a way. it does make for a softer campsite, tho

This is the trailhead to the Meadow Camp. What's not visible in this photo are the little branches from this leaning tree. Never have I had to duck to pass through this entrance...

THEME DAY DECISION!!

Tonight the Community Village will make a final choice of a "apparel theme" for Saturday of Fair. Those wishing to participate will dress (or undress) themselves on Saturday in accordance with the chosen theme. The goal is to have enough villagers participating that Fair patrons will notice and remember the Village better because of our collective visual impact. And to have fun. Of course.

So below are the highest vote getting ideas so far We will go through a 3 step process, choosing winners based on audible feedback from you all. We will go through the list and folks will say "YES" for each theme they like. Vote as often as you like - for all of them if you want. We will eliminate the 2 lowest getting ideas in the first round. If you would like ot be a volunteer judge, please raise your hand.

The second round will eliminate one more idea, leaving just two.

To choose the winner, we will do a show of hands. There. Done.

Please be reminded that this is voluntary, no village member has to wear (or un-wear) anything. It's just for fun. :)
