PLEASE READ

Be Mindful:

- The Village camping areas are for Village members ONLY, defined as actively participating in the life of the Village. Village Elders camping may be approved through your booth. At least one person in the tent MUST be a Villager as defined above. Large groups MUST be pre-approved.
- BRING A SMALL TENT if you are camping in the Village, if you need more space request to move into our space in the Far Side or Zen Archers.
- The Meadow is a space for people with a special need (4A, & parents with small children, etc.). Describe your "need" to camp in this area in the "note" space above. There are NO assigned spots.
- If you don't have advance permission from me NO SETTING UP TENTS PRIOR TO WEDNESDAY JULY 10th. NOPE DON'T DO IT! Set up begins July 10th at 9am, not before.
- If you can't set up your tent on Wednesday, find a friend to set up your tent or reserve spot for your tent. But DO NOT set up on Tuesday or before and think it's cool to leave your tent – it's not!
- When you arrive on site, check with your camp host PRIOR to setting up camp.
- EVERYONE needs to sign in with the Camp Coordinator on site and get a Village tent tag.
- If you need assistance figuring this out talk to the Camp Coordinator PRIOR to Fair (earlier the better) NOT when you arrive on site.
