How You Can Participate

"25 years ago I was in the booth showing people what the Internet was, and how to sign up for an account on EFN. Now we are using the Internet to show people how to use the village. How things have changed." - Jamie, Doors of Expression

Develop and share content:

Information:

1. Create a pre-recorded Workshop
2. Submit an interactive workshop or conversation idea for live streaming
3. Record a 1-7 minute promo for your non-profit (maybe a humorous commercial)
4. Provide link to a downloadable celebrity activist speech or presentation

Entertainment:

5. Arrange a live stream concert from home or from a professional venue
6. Submit your music video or recorded performance
7. Create a slide show of your art or craft (for kids, too) or historical village photos

Community Interaction:

8. Schedule staffing for your Booth Zoom Room hangout, confirm that your booth wants to do this.
9. Help staff the Village Green Zoom Room to hang out with whoever is there

Tasks that need doing...Can you HELP!?

Tech Team:

1. Help with rehearsal, testing, in late June.
2. Be a Segment Creator: help folks produce / film pre-recorded workshops, slide shows, etc.

Day of Show Team:

3. Be an MC / Host!!! Awesome job, 2-3 hour shifts.
4. Sign-up to be the lead person in your participating Booth or the Village Green Zoom Room.
